Subject: Invitation to the " CR-CHAKRAVYUHA – 2k19"

---- A national level technical symposium

Greetings!!

Chiranjeevi Reddy Group of Institutions (CRIT & CESM), were established with a noble objective of promoting technical education within the backward region of Anantapur. Its objective is to provide extremely innovative, driven world leaders within the field of Engineering education.

It encourages the spirit of free enquiry and imagination. The institute tries to point the sense of human values and discipline to create students respectful towards soul, realise and demonstrate their best potential and be a winner in life.

With this motto, we are organizing a National Level Technical Symposium – CR-CHAKRAVYUHA – 2k19 on 25th February, 2019, for both Engineering and Management students.

Therefore, we request you to propagate the same and display the poster in Notice boards, circulate among the students.

We solicit your kind cooperation in bringing the motivation of your students towards the active participation for their skill development and make the event a grand success.

Thank You
